

# Structural Engineers Association of Alaska SEAAK

September 29, 2021

---

## General Meeting

Meeting Location: Virtual Meeting

Time: 12:00pm

---

## Agenda

### Announcements

[1] BP Energy Center will not be available to the public again until January 2022. Our meetings will remain virtual until then.

[2] The final report from EERI on the 2018 Anchorage Earthquake is available at the following link: [EERI Damage Report - 2018 Anchorage Earthquake](#)

[3] Nominations are now open for 2022 SEAAK Officer and Board openings, which include VP, Secretary, and both board members for Anchorage. Interested volunteers are currently available for all but the VP. All positions will be voted on for either ratification or to resolve selection from several candidates. Voting will open the first week of November, and the results announced at the next General Meeting on November 17.

[4] Presentation topic for November 17 General Meeting: Key Bank Building Upgrades, Mike Fierro @ Reid Middleton.

[5] Announcements or questions from membership

### Presentation

Steel Joists – Latest Developments by Darrel Marchell @ Vulcraft

### Closing

Greg Latreille
